PROFESSIONAL SUMMARY

Research-minded operations professional with 5+ years in Food & Beverage, moving into research and business analysis. Experienced in analysing daily sales data, validating stock and waste records, researching beverage trends and partner opportunities, and turning findings into data-based recommendations for owners and managers. Completed data analyst training (Aug–Sep 2026) and builds a portfolio of analytical projects. Bilingual in Indonesian and English.

CORE SKILLS

- **Analysis**: operational data collection, validation and updating; sales trend and variance (up/down %) analysis;
- stock and waste tracking; tables and charts for reporting
- **Business development**: market research, field observation, B2B partnerships, event and pop-up market planning, menu R&D
- **Operations & management**: SOP development, purchasing, hiring and training, staff coaching, multi-outlet supervision
- **Tools**: Microsoft Excel / Google
- **Languages**: Indonesian (native), English (professional working)

PROFESSIONAL EXPERIENCE

Assistant Store Manager | PT Jokopi Indonesia Group
October 2025 – June 2026 (9 months) — Jalan Jakrta No.26 Malang, Indonesia

- Promoted from barista to Assistant Store Manager and acted as person-in-charge of the Malang outlet while the Store Manager was based in Yogyakarta; supervised a team of 12 across two outlets (7 Malang, 5 Yogyakarta).
- Collected and analysed daily sales transactions across two outlets, calculated percentage increases and decreases, identified the causes, and recommended data-based actions to raise sales.
- Validated and updated operational data daily: tracked raw material usage down to waste per gram, backed up transaction data and ran stock opname for both outlets to spot operational constraints and efficiency gaps.
- Wrote and implemented SOPs for cleaning and transaction procedures across two outlets, standardising daily operations.
- Handled purchasing and supplier coordination to keep stock available for outlets generating approx. IDR 10 million in daily revenue
- Coached staff in both outlets on conduct and performance, giving corrective feedback on errors.

Barista | PT Jokopi Indonesia Group
May 2025 – September 2025 (5 months) — Malang, Indonesia

Daily Worker | Roewang Tamoe Coffee and Space
January 2024 - April 2024 (4 months) — Jalan Simpang Dirgantara III No. A3 Malang, Indonesia

Guest Relations Officer | PT. Samala Pariboga Cemerlang
October 2023 – January 2024 (4 months) — Malang, Indonesia

- Managed customer reservations, appointments and enquiries, including meeting room bookings.
- Produced daily WhatsApp Status updates promoting new products, best sellers and available facilities to grow customer engagement.
- Handled cashier duties, order-taking and table service alongside front-of-house cleaning.

Assistant Food & Beverage Manager | Niwa Garden Coffee Garden
January 2022 – October 2023 (1 year 10 months) — Jalan Kedawung no.36 *Malang, Indonesia*

- Developed new menu items through research and recipe testing.
- Ran recruitment end to end: hiring, interviewing and training every new employee.
- Created daily procedural SOPs and maintained restock data lists to support inventory control.
- Organised engagement activities for Niwa Garden's 3rd anniversary

Barista and Coffee Sales Representative | Carani Headquarter Coffee and Roastery
June 2021 - December 2021 (7 months) — Jalan Semboja No.7 Malang, Indonesia

- Identified and approached neighbouring coffee shops to build partnerships as their roastery supplier, and sold in-house roasted coffee beans.
- Planned 3 events to increase outlet revenue: guest-barista takeovers with other coffee shops and pop-up markets featuring local UMKM tenants (food, clothing, tattoo and more).
- Conducted independent R&D: researched trending beverages, developed recipes and sourced ingredients; the owner approved the recipes and they were put on the menu.

Daily Worker | DW Coffee
January 2021 - May 2021 (5 months) — Jalan Bogor no.5 Malang, Indonesia

Fieldwork Team Leader | SMA Islam Al Maarif Malang
August 2020 – November 2020 (4 months) — Malang, Indonesia

Data Research Analyst | Independent / Academic Research Projects
March 2019 – October 2024 (5 years 8 months) — Malang, Indonesia

- Conducted data collection, processing, and analysis for academic research projects using Excel and SPSS.
- Performed geographic/spatial data analysis and mapping using GIS/ArcGIS.
- Created data visualizations and supported literature research and document editing for research deliverables.
- Managed multiple concurrent projects while consistently meeting deadlines and maintaining clear communication with clients.

EDUCATION

Bachelor of Education (BEd), History
Universitas Negeri Malang | 2017 – June 2022
